EYEBROW KIT

REF. 705 - 2 COLOURS

WHY YOU'LL LOVE IT

AN EXTRAORDINARY KIT FOR PERFECT BROWS!

Includes:

- A tinted wax to intensify your brows in a natural way. Can be used alone or as a base to give long lasting fix to powder eyeshadows.
- Three powders to draw, define and fill in the sparse areas of the brows.
- Three durable stencils, easy to clean and designed to last. Ideal for full and natural-looking brows. Essential for creating a clean and perfect shape.

How to use:

For a natural effect, fill in and define the shape of your brows with the powders, using the lightest colours on the initial part of your brows and the darker ones on the final part.

For a more intense and long lasting effect, first apply the wax and then the powder, focusing on the sparser areas.

LIFTING EFFECT

Serum

PHYTOLIFT

FACE SERUM WITH LIFTING EFFECT + ANTI-AGE PHYTOCOMPLEX
REF. 439

WHY YOU'LL LOVE IT

Perfect for **bridal makeup or a special evening out**. Ideal as a **shock action** to help smooth out lines and minimize signs of tiredness.

YOUTH ACTIVATING SERUM

An innovative tensioning complex, based on natural biopolymers, that minimizes lines and skin blemishes. Your skin immediately regains a visibly more radiant and vibrant look.

LASTING EFFECTIVENESS

Used on a daily basis, the rich mix of active ingredients in the formula acts through synergy to moisturize and nourish your skin, protecting it from the aggressive external factors that cause premature ageing.

Panthenol, Alginates, Hyaluronic Acid and a Phyto-complex based on Soy Protein + oxidoreductase help prevent the formation of lines and wrinkles, fight free radicals and conserve the naturally occurring hyaluronic acid in your skin.

RESULT

Day after day, your skin looks more vibrant, toned and compact, is respected and protected and becomes naturally more beautiful (even without makeup) and visibly more radiant.

HOW TO USE

Apply to your face, neck and décolleté, before applying your makeup and day cream.
Spread the product evenly, using gentle circular motions in an upward direction. Wait for the serum to dry.
Dermatologically tested.

NAIL CLEAN - ACETONE FREE

EXTRA DELICATE NAIL LACQUER REMOVER
REF. 514

WHY YOU'LL LOVE IT

Specifically developed for fragile, weak and false nails, it effectively removes all traces of nail lacquer without drying the nail and cuticles.

Acetone free and allergen free, this new formulation is enriched with Myrrh Extract.

USE:

Place a cotton wool pad soaked in the product on your nail and hold for a few seconds.

Gently wipe the pad towards the tip of your nail to remove all traces of varnish.

After removing the nail lacquer, wait until nails are completely dry before applying a new coat: this ensures that the new colour will adhere properly to your nails and last longer.

WARNINGS:

Keep away from heat and naked flames.

Use in a well-ventilated room. Do not swallow.

SKIN PERFECTION BEAUTY FACE CREAM

SKIN PERFECTION BEAUTY FACE CREAM - REF. 456

WHY YOU'LL LOVE IT

This cream is designed to meet the need and desire to return to nature, to rediscover a more primitive, uncontaminated and purer concept of skincare and beauty products. A line developed on a natural base and enriched with active ingredients from the plant world that, thanks to their specific properties, form "the basic ingredient", the problem solver for each requirement. The desire to be closer to nature by using modern-concept "beauty tools". This amazing cream offers freshness and softness thanks to its silky light consistency. Ideal to caress your skin every-day, for radiance and perfection. Contains 90% naturally sourced raw materials.

With its gentle fragrance, it contains a 100% natural Olive Leaf and Bearberry Phytocomplex that helps minimise blemishes and spots due to excessive exposure to sunlight, hormonal imbalances or age.

Precious natural extracts improve the beauty of your skin, providing radiance, softness, well-being and nourishing: Chiuri Butter, Aloe Juice, Wheat Germ Oil, Sweet Almond Oil, Jojoba Oil, Sunflower Oil, Rosemary Extract.

Result: quickly absorbed, it leaves the skin soft and clean in an instant, thus making it perfect also as a base for makeup.

A tailored response for skins that want to feel free.

Suitable for all skin types; especially recommended for combination skins.

ANTI DARK SPOT

WHITE CONCEPT

COSMETIC CREAM DARK SPOT TREATMENT FOR FACE AND NECK - REF. 458

WHY YOU'LL LOVE IT

With Lumiskin™ and Vitamin PP: lightening ingredients

An exclusive and innovative beauty treatment that makes patchy and opaque skin look fresher and more radiant.

It uses a concentration of highly effective active ingredients, Lumiskin™ and Vitamin PP, which help to visibly reduce cutaneous pigmentation, and help correct and progressively diminish age spots. The skin appears more even, regular and luminous.

Continued use, gives visibly renewed splendour for perfect skin at any age.

ACTIVE INGREDIENTS

Two functional ingredients complement each other with different active mechanisms.

LUMISKIN™

Helps slow down the excessive production of melanin which causes hyperpigmentation spots.

VITAMIN PP

Helps inhibit the build up of melanin in the outer layers of the epidermis, limiting the formation of dark spots and discoloration.

The cream is further enriched with other functional substances for a protective and nourishing action: Panthenol, Carrageen and Hyaluronic Acid for a moisturising effect, antioxidant Vitamin E, astringent Lemon Extract and emollient Sweet Almond Oil.

INSTRUCTIONS

Use morning and evening before makeup and after makeup removal, delicately massaging the face, neck and décolletage until fully absorbed. Can also be used on hands.

Avoid the eye area.

Suitable for all skin types, particularly those with brown spots and an uneven skin tone.

Designed to help counteract hyperpigmentation problems. Dermatologically tested.

LUMINOUS EFFECT

3 IN 1 ONE STEP PERFECT REMOVER

MICELLAR WATER CLEANSER 3 IN 1 - REF. 447

WHY YOU'LL LOVE IT

A gentle, fresh product that removes all traces of makeup and impurities in just one movement thanks to the oil molecules suspended in water.

Leaves the skin velvety soft, tonic and supple.

Ideal for all skin types. The perfect solution for removing makeup at the end of the day and cleansing the face in the morning.

TO USE:

- Apply gently to the skin using a ball of cotton-wool.
- No need to be rinsed off.

ACTIVE INGREDIENTS:

– A moisturising agent that “doubles” the excellent moisturising effects of glycerine. Diglycerin, as the name suggests, is a condensate of two glycerine molecules. A technologically advanced component that retains all the original properties of glycerine.

– A natural amino acid derivative known for its skin-whitening action, inhibiting tyrosinase activity in melanocytes.

The result is a functional activity for a more radiant and luminous complexion and for younger-looking skin.

- A gentle dissolving agent to help remove makeup and impurities.

RESULT:

- Perfectly fresh, radiant skin.
- Reduced signs of tiredness and fatigue.
- Stronger, firmer and more supple skin.

3 IN 1 micellar water is also suitable for the most delicate of skins.

Fragrance-free.

Iso-lacimal pH (non-stinging).

Dermatologically tested.
